Motion Carried.

The Managing Director's report was as follows: Looking at possibly purchasing a loader for the Lewiston garage, 2 or 3 tandem trucks and a brush cutter in the next year. Met with MDOT regarding the use of Co. Rd. 487, Airport Road and McMurphy Road as a bypass when they replace the culvert on M-32 at Smith Creek in 2028. Discussion was held on a drainage problem on Long Rapids Road. Due to a deck failure on Decheau Lake Road, the road was closed temporarily and is now passable for traffic; a permanent fix has not been decided at this time. Gayle Cummings is no longer the Administrator for MCRCSIP.

Motion by Arbour seconded by Karll that the Managing Director's report be approved.

All in favor-Motion Carried.

The Superintendent's report was as follows: Maintenance activities consisted of cutting brush, blading and patching roads, cleaning ditches and replacing culverts. Gravel application on Co. Rd. 459 is scheduled to begin September 28, 2026. Gravel has been applied to Lake Avenue, Hillman Township. Clay has been applied to Sucker Lake Road.

Motion by Arbour seconded by Orm that the Superintendent's report be approved.

All in favor-Motion Carried.

Commissioners presented Committee updates.

Motion by Karll seconded by Arbour that the meeting adjourn at 10:35 a.m.
